

December 2015

	WHEN:	WHERE:	PROGRAM:
DECEMBER MEETING	The 10th at 7:00 pm	FISHER COMMUNITY CENTER	SHOW AND TELL

WHAT'S FLYIN' THIS WAY !!!

Our next meeting will be in our Winter quarters at the Fisher Community Center. Bring your airplane story and/or a project part or demonstration for Show and Tell. We will also be discussing some of the items tentatively put on the calendar by the planning committee, which met on December 6th, including extra curricular items such as group fly-outs and field trips. If you have any personal ideas or tips what we could do this coming year, bring it to the meeting. Some great ideas were brought up about how we can involve everyone with building and participating in aviating which will be included in the discussions on Thursday. Don't miss it!

It is also that time of year when we begin our monthly meetings by gathering at Taco Johns right across the street from the Community Center at 6 pm for those who can make it that early. Hope to see you there.

WHAT FLEW BY !!!

Over 40 members, friends and spouses attended the annual Chapter 675 Christmas Dinner. Last years Hickory Park BBQ was a big hit, so we did it again this year. It was FANTastic!

We would like to thank all those who attended and a special welcome to our guests. Two of whom were Jonathan Walter and Gretchen Fisher of Independence, Iowa. Jonathan is the owner/operator of Walter Aviation, the local FBO, and Gretchen is a flight instructor there.

Following the feast, we did something we have done before and always had a great time with. A Crazy Santa gift exchange. It is much more about the fun than it is the presents. Everyone had a great time and did I mention the food? Yum!

Christmas Dinner Views

There was plenty of food for everyone, including brisket, pork, beans, coleslaw, potato salad, applesauce, rolls, a meat and cheese tray, and of course, pumpkin pie for desert.

Right: When the food was ready, the line formed quickly!

Lorin and Diana Miller (and everyone else) are all smiles while waiting in line for the dinner

Sandy Robinson shows everyone her Crazy Santa gift after opening. Dave Cheung was the 'Master of Ceremonies' and called out the numbers that everyone drew for their turn at picking a gift.

Ditch Walking

On Sunday Dec. 6th, the ditches along the road to the airport was cleaned up by these characters each holding a bit of the road bounty. A whopping 23 redeemable cans, along with a whole bunch of other garbage was collected.

2016 EAA Calendars are in!

If you ordered a calendar at the Christmas Dinner, bring \$7.50 for each one ordered to the meeting this coming Thursday. Paul says they are in.
