

**December 2016**

	WHEN:	WHERE:	PROGRAM:
<b>DECEMBER MEETING</b>	<b>The 8th at 7:00 pm</b>	<b>FISHER COMMUNITY CENTER</b>	<b>EAA Chapters Video</b>

## WHAT'S FLYIN' THIS WAY !!!

Our next meeting will be in our Winter quarters at the Fisher Community Center. We have a video from EAA specifically for chapters, and we will also be discussing some of the items tentatively put on the calendar by the planning committee, which met on December 3rd, including extra curricular items such as group fly-outs and field trips. If you have any personal ideas or tips on what we could do this coming year, bring it to the meeting. Some great ideas were brought up about how we can involve everyone with building and participating in aviating which will be included in the discussions on Thursday. Don't miss it!

It is also that time of year when we begin our monthly meetings by gathering at Taco Johns right across the street from the Community Center at 6 pm for those who can make it that early. Hope to see you there.

## WHAT FLEW BY !!!

**WOW!!** Just under SIXTY (60) members, friends and spouses attended the annual Chapter 675 Christmas Dinner. We could say it was the great food from Hickory Park BBQ which we have done for the past three years now (and it is good stuff!), but most likely our program speakers had much to do with it. Gary Witcombe and his wife Linda took a cruise to the Antarctic a couple years ago and their powerpoint and video, along with great commentary, was the big draw. Spectacular photography (with lots of penguins), and interesting details, kept the crowd captivated.

We would like to thank all those who attended and a special welcome to our guests and new members!

And did we mention the food?!? **WOW!!**

*The food tables had to be set out in the hall so everyone would have a place to sit in the banquet hall!*

*Good food and good conversation is always a mainstay of Chapter 675 gatherings*
